

Field of Dreams

Young fans of Women's Professional Fastpitch can get a glimpse of their dreams by participating in our special Field of Dreams Program. Groups of 10 to 16 qualify to pair up with a Racer or visiting team member during the team introduction and National Anthem before each home game.

Registration for our Field of Dreams program costs \$25 per group (10 to 16 girls) to pair up with either the Racers or the visiting team. Larger groups (17 - 32 girls) may want to reserve both sides for a total of \$50.
